

Membership Payments

Dear Parents

In Scouting, membership payments take place in two forms, the nightly membership fee (often paid by the half term) and the annual membership. Traditionally these have been collected at the beginning or end of meetings.

The leaders and the Group Executive Committee would like to explore if this could be simplified by use of Direct Debit or Standing Order.

I am writing to see whether implementation of a direct debit or standing order method of payment would greatly inconvenience you. The intention would be to spread the annual cost into 12 equal monthly payments. We would very much like you to take part as it would cut down on a lot of paper work for all the volunteer leaders.

Please could you fill in the return slip below to give feedback and return next week.

I thank you for your support.

Best Regards

Chris Haslett
Scout Group Chairman

I (name) _____ am / am not (*delete as appropriate*) if favour of changing to direct debit or Standing Order as a method of paying membership fees for my child whilst they are with 3rd Buxton Scout Group.

I have an issue with regards to this (*please explain below*)
