

3rd Buxton (Harpur Hill) Scout Group

Dear Parents

We have achieved a great deal to date with the new building. We had hoped to have the building completed by the end of May however this is now unlikely without your help. We are looking to put in a big final push to get the building finished and ready for use.

To get to where we are we have funded as much work as we could with professional labour but that isn't cheap and where possible we have supplemented this with voluntary labour through dedicated working parties.

So far over 550 hours have been donated by people like you. A huge thank you for all those who have given their time and helped so far.

We are looking to make a final push and are keen to encourage you to come along and help, we will be running working parties on the following dates during May :-

- Sunday 11th
- Saturday 17th
- Sunday 18th
- Saturday 24th
- Sunday 25th

We are so close to completion now that we will continue until the building is ready so please commit to help us by completing the slip below.

If you would like further details or see pictures of progress to date we have a page on the group website at
